Exam #3 had content on it that I was not sure we learned.

13 Assignments or projects helped me learn the material

Comments

14 How could this course be improved to make the instruction more effective?

Sometimes we go through content very fast. I think it would be helpful if after exams he would go through them so we could learn why we got an answer wrong + why. Especially since the final is culmative

15 What do you believe this instructor has done especially well in the teaching of this course?

Dr. Paul is very engaging and I always enjoy his classes.
